The current rate of the District property tax is \$0.422 on each \$100 of assessed valuation.

The District may impose assessments and issue bonds and impose an assessment in payment of such bonds. The rate of the District assessment is \$0.422 on each \$100 of assessed valuation. The District sought and obtained approval of the Texas Commission on Environmental Quality to adopt and impose a standby fee. The amount of the standby fee is \$0.00. An unpaid standby fee is a personal obligation of the person that owned the property at the time of imposition and is secured by a lien on the property. Any person may request a certificate from the District stating the amount, if any, of unpaid standby fees on a tract of property in the District.

The District is located wholly or partly in the extraterritorial jurisdiction of the City of Houston. Texas law governs the ability of a municipality to annex property in the municipality's extraterritorial jurisdiction and whether a District that is annexed by the municipality is dissolved. The purpose of the District is to provide water, sewer, drainage, or flood control facilities and services. The cost of District facilities is not included in the purchase price of your property.
